ABOUT THE PROJECT:

Strengthening research management and open science capacities of HEIs in Moldova and Armenia / MINERVA

Co-funded by: European Comision, funding scheme: Erasmus+
Key action 2: Cooperation for innovation and the exchange of good practices – Capacity Building in the field of Higher Education:

Project No: 597912-EPP-1-2018-1-MD-EPPKA2-CBHE-SP

PROJECT GOAL

To contribute to the Strengthening of Research Management and Open Science capacities of HEIs in Moldova and Armenia

OBJECTIVES

To advance national and institutional guidelines, policies, and incentives related to the open science in Moldova and Armenia.

To establish digital repositories at all project`s partner HEIs in Moldova and Armenia and to foster their infrastructural development and interoperability.

To build human research capacities in order to ensure the sustainable implementation of open science principles and enhance the social inclusiveness and accountability of publicly-funded research,
